GIFT OF THE LAND

2022 SINGLE BLOCK RESERVE CARNEROS PINOT NOIR EAST SLOPE

INTRODUCTION

After a hiatus from 2014-2018, we are thrilled to reintroduce a winery favorite, the East Slope Pinot Noir. East Slope is sourced exclusively from our Calera clone planted on the eastern-facing slopes of our Carneros Estate. These slopes receive direct sunlight in the morning but are shaded from the strong afternoon sun, resulting in a more delicate, nuanced expression of Pinot Noir, with a focus on depth and purity rather than power.

WINEMAKER NOTES

Bright ruby-purple in color, the East Slope opens with aromas of lavender, blueberry, violets and a touch of tar. The palate is juicy and fresh, with dominant notes of berry, black currant and vanilla. With vibrant acidity contrasted by firm tannins, this wine has a sleek, taut character. Recommended drinking window: 2025-2032.
